Our congregation is exploring participation in the *re:Vitality* congregational revitalization program. *Re:Vitality* builds upon spiritual vitality and guides the church in positive action for sustainable, adaptable, focused, and healthy ministry for years to come. The first step in the *re:Vitality* process is to submit honest feedback about our congregation from everyone involved. In order to get the best direction for our congregation from this program, we need your input. We *want* your opinion. We are asking everyone (and we mean EVERYONE) to go online and fill out a simple questionnaire about our church. It makes no difference if you have been a churchgoer all your life, or whether you just started coming this week; whether you are a resident member or MSU student, a visitor or regular attendee - We want to hear from all of you. The questionnaire will be available **starting Sunday, March 17**. Until then, click on QR code to learn a little more about the survey;
