Sunday Morning Bible Study

What Makes us Lutheran?

In the midst of all the different congregations, denominations and religions out there, what makes us different? Specifically, what makes us "Lutheran"? This fall we are looking at one of the foundational documents that define what we believe; The Augsburg Confession. Written in 1530, in the midst of the Reformation, it defined for the world what was being taught in churches of the Lutheran Reformation.

Pastor Curt is leading this study, Sundays, at 9:30 a.m.

Jesus Moments

God places people in our paths every single day, and we want to challenge everyone to intentionally share His love with them. Whether it's a friendly chat or a simple act of kindness, every interaction that draws someone closer to Christ counts as a "Jesus Moment." Our goal is 100 Jesus Moments a month. How many did you experience this week?

Let us know on the Interest Sheet!

Jesus Moments Results

Thought for the day.

Peace comes not from the absence of conflict in life but from the ability to cope with it.

God never told us that success meant big accomplishments. Success with Him has always meant simply living in grace and walking in love. God is not as concerned about the outcomes as we are. He just wants us to be His while we try.
