Jesus Moments

God places people in our paths every single day, and we want to challenge everyone to intentionally share His love with them. Whether it's a friendly chat or a simple act of kindness, every interaction that draws someone closer to Christ counts as a "Jesus Moment." Our goal is 100 Jesus Moments a month. How many did you experience this week?

Let us know on the Interest Sheet!

Thought for the day

Lord, I do not ask for a faith that would move mountains.

We can never run out of love, never give or receive too much. When we choose to give more love, we get to watch it multiply. Love is one of the few things we don't have to guard. We don't have to be greedy with our love. It multiplies when we give it away. So, go ahead and love everyone.
